AGENDA

Presenter: Kathleen Da Silva, GPEE Regional Engagement

Regional Leader Panel Discussion

Program Sponsor Remarks will follow the presentation and panel discussion.

The ultimate goal of this entire effort will be to continue to reinforce, align, and propel the great work being done in our region toward the **EdQuest Georgia Initiative** recently published by the Georgia Partnership. This summit will be one of the closing events of the 2023 GPEE Economics of Education Series, providing a comprehensive look at moving toward the EdQuest North Star Goal with enhanced collaboration and networking.

CONSIDER BRINGING A DELEGATION FROM YOUR COMMUNITY

This event is ideal for education institution and school district leadership, civic leaders, economic development professionals, family & child service program leaders, Chamber of Commerce leadership, and regional industry leaders--key stakeholders in the workforce pipeline from prenatal care to seasoned career development.
